

Fairbank Temporary Entrance – Election Day Info

Voters in Precincts 1, 2, 3 and 5 vote in the Fairbank gym. For the State Primary Election on Tuesday, September 6, 2022, these voters will use the temporary entrance on the Senior Center and SPS side of the building complex.

Due to Fairbank Community Center construction, voters must use the temporary entrance by the Senior Center on Election Day. Voters will use the walkway and door to the left of the Senior Center entrance, under the white awning, and follow the signs to the polls. After entering the building, please head straight back to the voting check-in area.

Parking is available at the senior center parking lot, where extra handicap spaces have been added. Parking is also available in the Haskell Field lot across the street from Fairbank.

Use the walkway under the white awning to the left to reach the polling area at Fairbank.
