How does this project meet the General Criteria and Category Specific Criteria for Community Preservation Committee projects (see attached)?

The Housing Production Plan meets the Community Housing criteria by most notably creating and updating the Town's Housing Production Plan and also formalizing the town preferences and priorities to address all criteria of the Community Housing category.

Does this project fall within the jurisdiction or interest of other Town Boards, Committees, Commissions, or Departments? If so, please list the boards, committees, commissions, or departments, whether applications and/or presentations have been made, and what input or recommendations have been given.

The HPP will be led by a Steering Committee of principal boards and committees, including the housing groups, and in its final form, the HPP will be adopted by the Planning Board and Select Board.

FY2022 Community Preservation Committee Application Form

Sudbury Housing Production Plan

Attachment A

The Planning and Community Development Department is requesting funds to prepare a Housing Production Plan (HPP), in conformance with the State's guidelines, to utilize the 2020 Census information.

Sudbury's last HPP was written in 2016 and is due to expire April 20, 2021.

As defined, the HPP identifies the housing needs of a community and the goals and strategies it will use to identify and achieve the 10% threshold of the MGL Chapter 40B state mandate. The HPP Program enables municipalities to develop a strategy to meet its affordable housing needs, produce housing units in accordance with that plan, and demonstrate progress towards their affordable housing production. By taking a proactive approach in the adoption of an HPP, cities and towns are better able to achieve their affordable housing and community planning goals.

While Sudbury is projected to remain over the 10% threshold through 2030, and likely 2040, the HPP is still valuable to provide for a community discussion and update the housing goals in the community. This is very helpful and useful once a community reaches the 10% threshold.

The HPP will be prepared by both the Regional Housing Services Office (RHSO) (for the Needs Assessment) and a consultant (for the Community Engagement portion). This is the same model used for the 2016 HPP.
