# **FY2027 Community Preservation Act Funding Application**

## **Sudbury Housing Trust - Housing Allocation**

### **Attachment A**

The Sudbury Housing Trust requests \$600,000 to continue its mission to provide for the creation and preservation of affordable housing in the Town of Sudbury for the benefit of low- and moderate-income households.

The Trust last requested CPA funds in 2025 for FY26, and has not created any new units since then.

This CPA funding request would also assist in the creation of new units of affordable housing in the Trust's Home Preservation Program which converts existing smaller market homes to affordable homes and provides affordable homeownership opportunities to income eligible households. The Trust is the main, if not the only, entity with plans to create affordable homeownership units in Sudbury. Through its program, the Trust has seen tenants of the Sudbury Housing Authority become owners for their families, and owners of deed restricted properties in Sudbury purchase market rate homes in town. These demonstrate first-hand the benefits of a homeownership program. Sudbury has had 37 ownership units in its affordable housing portfolio since 2016, with no strong possibilities of additional homeownership units in the pipeline.

This request will allow the Trust to move forward on each of these fronts.

### **Attachment B**

The Sudbury Housing Trust's Home Preservation Program correlates precisely to CPA eligible activities in the category of community housing. It conforms to the Town's Housing Production Plan, contributes long-term affordability towards the 10% Chapter 40B threshold, converts market rate units to affordable units, and promotes a socioeconomic environment that encourages a diversity of income.

The purpose of the Sudbury Housing Trust is to provide for the creation and preservation of affordable housing in the Town of Sudbury for the benefit of low- and moderate-income households. The Trust implements the recommendations set forth in the Sudbury Community Housing Plan to the purpose of aiding the Town of Sudbury, private enterprises and non-profit organizations, and other public agencies in the orderly acquisition, rehabilitation, renovation, construction, financing or refinancing of property within the Town of Sudbury so that such property will be substantially available as residential property for low and moderate income persons and to further provide mechanisms to ensure such use.
