Balance Remaining: \$182,761.00

Is the project completed? Yes ☐ No ☒

Description of status of the project:

The Accessible Pathways on Town Properties project is progressing through design development. Preliminary designs for an accessible seating area at Grinnell Park have been completed, and accessible pathways at Haskell Field are currently in design.

Designs have also been completed to connect the lower Feeley Field to the bathroom and seating areas. This work is anticipated to be bid in spring 2027, pending approval of additional funding to rehabilitate the Feeley Field bathrooms, seating area, and pathways. These improvements will expand access to the Town's outdoor recreation Project results, including any changes since Town Meeting:
