COVID-19 Vaccine Update

Beginning Monday, February 1st, individuals 75+ will be eligible to receive the Covid-19 vaccine. Those individuals can begin registering for appointments on Wednesday, January 27, 2021 for February 1st or later. You can find vaccination locations and register for appointments here:

<https://www.mass.gov/info-details/covid-19-vaccine-locations-for-individuals-in-phase-1>

Please note: The Town of Sudbury was notified by the Commonwealth that local health departments will **only** receive 100 doses of the Moderna vaccine per week. If the Sudbury Health Department receives its doses, it will open a clinic Wednesdays at a location to be determined. The Health Department will post a registration link at www.sudbury.ma.us/health when vaccine shipments are confirmed. We are anticipating securing vaccine by mid-February.

Given the limited doses, you are encouraged to try to book an appointment at another location. You can find a list of locations on the state's website:

<https://www.mass.gov/info-details/covid-19-vaccine-locations-for-individuals-in-phase-1>.

Individuals may need to present proof of their eligibility to receive the vaccine. Some sites require individuals to attest to their eligibility as part of the online appointment scheduling process. Residents should be prepared to present this form in a **hard copy** or electronically at their appointment. Phase 1 eligible residents may also register for appointments using the state's website.

When can I get vaccinated?: <https://www.mass.gov/info-details/when-can-i-get-the-covid-19-vaccine>
