Town Wide Announcement

RE: Tomorrow's (4/9/22) Household Hazardous Waste Collection Day (HHWCD)  
Postponed:

Last Night, Clean Harbors, the hazardous waste company, who was hired to conduct tomorrow's event, notified the Health Dept. that they will be unable to hold the collection. We are in the process of rescheduling this event.

We understand the inconvenience that this causes. We will be maintaining the current email list for those who are signed up. Please look for future emails or announcements from the Health Department concerning Household Hazardous Waste.

For those of you who are in immediate need of disposing of household hazardous waste, please go to this link:

[Household Hazardous Waste Drop Off](#)

Please refer to the Health Department webpage for updates:
