## REVIEW THIS GUIDE TO IDENTIFY WHICH BENEFITS YOU'RE ELIGIBLE FOR AND WHICH OPTIONS ARE BEST FOR YOU.

You may only enroll in or change your health plan during GIC's spring annual enrollment or within 60 days of a qualifying event. For information about annual enrollment and a complete list of qualifying events, visit [mass.gov/gic](https://mass.gov/gic).

The GIC strongly encourages members to actively shop and evaluate different coverage options. Please carefully review this guide as well as detailed benefits information for each GIC benefit carrier available at [mass.gov/lists/contact-gic-benefit-plans](https://mass.gov/lists/contact-gic-benefit-plans), to make informed decisions about your coverage.

Existing members, after reviewing your options, if you wish to keep your current GIC benefits, no action is required and your benefits will remain in place at the new rates effective July 1, 2025.

#### New in FY2026:

##### **GIC Retiree Dental Benefits for participating municipalities:**

Effective July 1, 2025, the GIC's Retiree Dental Plan carrier will be changing from MetLife to Altus for certain participating municipalities. You do not need to re-enroll to continue coverage. More information can be found on page 12 and [altusdental.com/gic](https://altusdental.com/gic).

**Hinge Health:** Beginning on July 1, 2025, members enrolled in GIC health coverage will have access to Hinge Health, a digital health benefit for musculoskeletal care. More information can be found on page 3.

## IMPORTANT REMINDERS

1. Contact your health and other insurance plans about tier changes, network coverage, providers, drug tiers, wellness benefits, and more.
2. **Which tier are your doctors and hospitals in?** When checking provider coverage and tiers, be sure to specify the health insurance plan's full name, such as "Harvard Pilgrim Explorer" or "Harvard Pilgrim Quality," not just the health carrier name such as "Harvard Pilgrim Health Care." Your health insurance plan is the best source for this information.
3. **Are your doctors and hospitals in the health plan's network?** If your provider is no longer available, your health insurance carrier will help you find a new one. Note: Doctors and hospitals within any health plan's network may change during the year.
4. **TURNING 65?** Visit [bit.ly/gicmedicare](https://bit.ly/gicmedicare) for a video to guide you through the next steps, whether you're retiring or not.

# When You Can Enroll In or Update GIC Benefits

## Enhancing Prescription Drug Access and Affordability for Our Members

In alignment with the recently enacted legislation, An Act Relative to Pharmaceutical Access, Costs and Transparency (or PACT Act), the GIC is committed to lowering or eliminating copayments for certain prescription medications for our members.

Effective July 1, 2025, this law mandates that insurers eliminate cost-sharing for one generic drug and cap co-payments for specific brand-name medications at \$25 for a 30-day supply, for managing diabetes, asthma, and certain heart conditions. It also ensures that you will not be charged a copay if it would be cheaper for you to purchase a drug without using your insurance and guarantees continuity of coverage for your existing prescriptions when transitioning from a non-GIC plan.

For more information on which drugs are impacted by this enhanced coverage, please access your CVS benefit information online or call CVS. See page 13 for website and contact information.

# Health Insurance Plan Rates (Monthly Full Cost)

Effective July 1, 2025

Full cost rates include the 0.25% administrative fee.

You do not pay the full cost rate. Your share of the cost depends on your city or town cost-sharing arrangement. Contact your local benefit coordinator for information on your premiums.

If you participate in a non-Medicare plan, GIC protects you from balance billing under Massachusetts General Law Chapter 32A, §20.

If you receive covered, medically necessary medical care in *Massachusetts*, doctors, hospitals, and other medical providers may only collect the amount covered by your GIC plan. You are still responsible for your share of the plan's copays, deductibles, and any other eligible medical out-of-pocket costs, but not any excess.

Always compare bills to the Explanation of Benefits (EOB) statement provided by your GIC health carrier. If you are not sure your invoice is a balance bill, call your health carrier. If it is a balance bill, advise your provider that as a GIC member, you are not liable for their excess compensation. If your provider persists in efforts to collect, contact the Group Insurance Commission.

Here is an overview of health insurance benefits offered through each of the GIC's Medicare plans. Benefits are subject to definitions, conditions, limitations and exclusions as spelled out in the respective health insurance plans' documents. With the exception of emergency care, out-of-network benefits are not covered through the Tufts Medicare Advantage Plan.

## Employees & Non-Medicare Retirees

CVS Caremark is the GIC's prescription drug benefit administrator for non-Medicare health insurance plans. Use your CVS Caremark ID card when filling prescriptions.

### Prescription Drug Deductible

You pay an annual prescription drug deductible of \$100/individual and \$200/family, separate from your health plan deductible. Once you have paid your prescription drug deductible, your covered prescriptions are subject to a copay.

### Prescription Drug Copays

All GIC health plans feature a three-tier copay structure. Contact CVS Caremark with questions about your specific medications.

- **Tier 1:** You pay the **lowest copay**. Most generic prescription drugs fall into this tier.
- **Tier 2:** You pay the **mid-level copay**. Many brand-name prescription drugs fall into this tier.
- **Tier 3:** You pay the **highest copay**. This tier includes brand-name and generic prescription drugs that don't fall into Tiers 1 or 2.

Covered prescription drugs may change when CVS Caremark updates its drug formulary during the plan year.

### Avoid the Prescription Retail Refill Penalty

- If you or a family member is taking a long-term medication—such as high cholesterol or high blood pressure medicine—you will receive a communication from CVS Caremark asking you how you wish to receive your future refills—by mail or at your local CVS pharmacy. For these maintenance medications, you must fill a 90-day supply at either a CVS Retail Pharmacy, or you may utilize CVS Caremark Mail Service Pharmacy, and you will pay one mail order copay.
- All acute 30-day retail medications, or any non-maintenance medications—such as antibiotics or painkillers—can be filled at any in-network Retail Pharmacy for one 30-day retail copay.

**Make sure you take action before your third refill, otherwise you will pay the full cost of the medication.**

## Medicare Eligible Retirees

CVS SilverScript administers the prescription drug benefit for all GIC Medicare health insurance plans. Your prescription drug benefit is called an Employer Group Waiver Plan (EGWP). It combines a standard Medicare Part D drug plan with additional coverage provided by the GIC.

### Prescription Drug Copays

All GIC health plans feature a three-tier copay structure. Contact CVS SilverScript with questions about your specific medications.

- **Tier 1:** You pay the **lowest copay**. Most generic prescription drugs fall into this tier.
- **Tier 2:** You pay the **mid-level copay**. Many brand-name prescription drugs fall into this tier.
- **Tier 3:** You pay the **highest copay**. This tier includes brand-name and generic prescription drugs that don't fall into Tiers 1 or 2.

### IMPORTANT

### Medicare Part D Prescription Drug Coverage

- **Do not enroll in a non-GIC Medicare Part D plan.** All GIC Medicare plans include Medicare Part D coverage. If you enroll in another Part D plan, the Centers for Medicare and Medicaid Services will disenroll you from your GIC coverage. This means that you will lose your GIC health, behavioral health and prescription drug benefits.
- A "Notice of Creditable Coverage" is located in your plan handbook. It provides proof that you have comparable or better coverage than Medicare Part D. If you should later enroll in an individual Medicare drug plan because of changed circumstances, you must show the Notice of Creditable Coverage to the Social Security Administration to avoid paying a penalty.
- If you have extremely limited income and assets, contact the Social Security Administration to find out about subsidized Part D coverage.
- If your adjusted gross income, as reported on your federal tax return, exceeds a certain amount, Social Security will impose a monthly additional fee called IRMAA (Income-Related Monthly Adjustment Amount). Visit [medicare.gov](https://www.medicare.gov) for more information. Social Security will notify you if this applies to you.

The GIC Retiree Dental Plan carrier will change from MetLife to Altus, effective July 1, 2025. In alignment with other GIC plans, the benefit period will transition from a calendar year to a fiscal year (July 1 - June 30) for annual maximums and other coverage limitations. You pay the full cost of this voluntary coverage.

You can get reimbursed up to \$1,500 a year for fillings, crowns and other dental services. When you visit one of the more than 400,000 participating locations in the Altus Dental network, you'll enjoy lower out-of-pocket costs. You may pay more if you receive care from an out-of-network dentist.

With *Altus Preventive Rewards*, most of your preventive and diagnostic dental services don't count toward your annual maximum, allowing you to stretch your benefit dollars.
