Natural Environment, Open Space, and Recreation Community Conversation AGENDA

October 29, 2019

7:00 to 8:30 pm

Welcome and Introductions

Overview of Sudbury Master Plan

Small-Group Discussion

1. What current and future issues around Natural Environment, Open Space, and Recreation were missing from the opening presentation?
2. Where should we be headed?
3. How do we get there? What's working now or what could be better? What are some new strategies, programs or initiatives
