**Re: *Town of Sudbury, et al. v. Energy Facilities Siting Board,*
Supreme Judicial Court for the Commonwealth No. SJC-12997**

Dear Mr. Kenneally:

I represent the respondent-appellee Energy Facilities Siting Board in the above-referenced appeal and am writing to correct an inadvertent inaccuracy in the February 25, 2021 letter that I previously filed with the Court. That letter incorrectly describes the MBTA right of way in which the intervenor-appellee NSTAR Electric Company d/b/a Eversource Energy would acquire a permanent easement as being a “22-foot right of way.” In reality, the right of way that would be the subject of the permanent easement is 82.5 feet wide, as correctly described on page 87 of the Board’s decision (Board Addendum p. 159). What would be occurring on the right of way, if acquired by Eversource, is as described on pages 87-89 of the Board’s decision (Board Addendum pp. 159-61).

The Board wishes to apologize for the discrepancy between its February 25 letter and its underlying Decision and for any confusion that may have resulted therefrom. Thank you for your cooperation in this matter.

Very truly yours,

/s/ Pierce O. Cray
