## Eversource 115-kV Project Update

Greetings!

This is an update on activities related to the Eversource 115-kilovolt (kV) Underground Transmission Project in Sudbury and Hudson. Across the inactive MBTA rail corridor, crews are accessing manhole locations to prepare the underground duct bank system for cable installation by proofing the underground conduit.

### Work Hours

- Sudbury - Approved work hours are 7 a.m. to 6 p.m., Monday to Friday. During the cable installation process, crews are working from 7 a.m. to 5 p.m., Monday to Saturday. All other activities in the corridor will happen from 7 a.m. to 4 p.m. **There will be no work Saturday the 25th.**
- Hudson - Approved work hours are 7 a.m. to 6 p.m., Monday to Friday. Crews are working in the Hudson roads from 7a.m. to 5 p.m., Monday to Friday. During cable

installation, crews are active from 7 a.m. to 5 p.m., Monday to Saturday in the MBTA corridor. **There will be no work Saturday the 25th.**

Occasional activities may extend beyond the approved hours, due to unforeseen circumstances, based on approval from local officials. Crews work between manholes (MHs) placed along the project route. For a closer look, [view the project map](#).

### Hudson Activities

- On Forest Avenue, crews are working to install the new underground transmission duct bank between Hudson Power and Light and Marlboro Street. One lane of alternating traffic will be maintained whenever possible.
- At the intersection of Wilkins Street and the inactive MBTA corridor, crews are excavating and installing duct bank to tie into sections already installed.
- At Bridge 130, crews will be installing timber rail posts.
- Between Wilkins and Bridge 130, crews will begin installing the new transmission line underground between MH's 5-7.
- Crews will be onsite doing invasive removals for the next several weeks.

### Sudbury Activities

- At Bridge 127, crews are installing wall caps.
- On Boston post Road crews will be continuing working to install the new underground transmission duct bank to tie into sections already installed. Approved work hours are Sunday-Thursday, from 8pm – 4am.
- Between Dutton Road and Peakham Road, crews are installing the new transmission line underground at MH 19 and MH20.
- Crews will be onsite doing invasive removals for the next several weeks.

*\*Due to the complexities of underground construction and weather, the two-week schedule described above is subject to change.*

---
