Eversource 115-kV Project Update

Greetings!

This is an update on activities related to the Eversource 115-kilovolt (kV) Underground Transmission Project.

Work Hours

- **Sudbury** - Approved work hours are 7 a.m. to 6 p.m., Monday to Friday. During the cable installation process, crews are working from 7 a.m. to 5 p.m., Monday to Saturday. All other activities in the corridor will happen from 7 a.m. to 4 p.m.
- **Hudson** - Approved work hours are 7 a.m. to 6 p.m., Monday to Friday. Crews are working in the Hudson roads from 7a.m. to 5 p.m., Monday to Friday. During cable installation, crews are active from 7 a.m. to 5 p.m., Monday to Saturday in the corridor.

Occasional activities may extend beyond the approved hours, due to unforeseen circumstances, based on approval from local officials. Crews work between manholes (MHs) placed along the project route. For a closer look, [view the project map](#).

Hudson Activities

- **On Forest Avenue**, two crews are excavating and installing duct bank between Hudson Light & Power and Marlboro Street between MH1 and MH2. One lane of alternating traffic will be maintained in the road whenever possible. **Starting soon, as early as July 15, crews will begin installing the new transmission line underground in the road by way of cable pulling and splicing.**
- **Between Wilkins Street and Chestnut Street**, crews will be installing the new underground transmission line between MH5 and MH6. The excavation and duct bank installation portion of the work in this area was completed.
- **Between Main Street and Parmenter Road**, crews will be splicing, to tie sections of transmission cable together that were already installed, between MH10 and MH11.
- **In the inactive MBTA corridor**, crews are installing loam and seed that is part of the restoration effort.

Sudbury Activities

- **In the inactive MBTA corridor**, crews are installing loam and seed that is part of the restoration effort.

**Due to the complexities of underground construction and weather, the two-week schedule described above is subject to change.*

Stay Informed

Eversource is committed to being a good neighbor and doing any work with respect for you and your property. If you have questions, please contact us directly or click on one of the resources below.
