

Substance Use & Mental Health

A presentation and Q&A with Dr. Samuel Meisel, who's research focuses on social relationships and how they interact with other influences to impact youth substance use, and Olivia Dufour, MPH, the Regional Substance Use Prevention Coordinator.

Topics covered will include:

- Statistics on mental health and substance use
- Strategies for reducing substance use
- When to seek help for substance use or mental health challenges.

OUR SPEAKERS:

June 3rd

7 PM – 8 PM

Via Zoom
