

# SUMMER TAG SALE & CRAFTERS MEET-UP

**SATURDAY, AUGUST 4**  
**9:00 AM-1:00 PM**  
**TOWN HALL, 322 CONCORD RD**

As the Sudbury Historical Society prepares to adaptively reuse the Loring Parsonage for the Sudbury History Center we've been sorting through our office supplies in anticipation of the move. Our clean-out yielded some great finds!

In the spirit of sustainability, the SHS tag sale will include books, paper, and other miscellany to encourage reuse and inspire summer craft projects. **Bring the kids to keep them busy - There's still a few weeks left 'til school begins!**

**REFURBISH, REUSE, REPURPOSE!**

**All proceeds benefit the Sudbury Historical Society.**
