SUDBURY TOWN MANAGER FINALISTS NAMED

September 2, 2015

The field of 37 applicants for the position of Sudbury Town Manager has been narrowed to three. These final 3 candidates are scheduled to be interviewed by the Sudbury Board of Selectmen during the evening of Thursday September 10. The 3 finalists are:

Stephen Crane- the current Town Manager in Longmeadow MA
Melissa Murphy Rodrigues- the Chief of Staff (CAO) & General Counsel in Everett MA
Andrew Sheehan- the current Town Administrator in Townsend MA

The original pool of applicants represented candidates from 17 states. The screening process to narrow the field to these final 3 candidates has consisted of a resume review, telephone interviews, essays submissions, in-person interviews with a Sudbury Community Panel and in-person interviews with MRI's panel of management consultants.

In addition to the formal selection process, the lead consultant from MRI conducted interviews with various community stakeholders in Sudbury, including representatives from the schools, employees, and other members of the community wishing to provide input. An e-mail address was also established for Sudbury residents to submit input directly to MRI via e-mail.

The Board of Selectmen's meeting on Thursday September 10th is scheduled to begin at 6 p.m.

Questions about the process may be directed to MRI vice president and lead consultant Alan Gould at 603-279-0352, x-320.
