

SEWATARO

SUMMER AS IT SHOULD BE...

June 15, 2023

Town Manager Sheehan & Sudbury Select Board,

Summer is right around the corner, and camp-related activity is picking up at Sewataro. We had our first series of staff training this weekend. We welcomed new staff on Friday evening, and brought our entire staff together for the first time in 2023 on Saturday. We are very excited to welcome our preschool campers on Tuesday, June 20th and cannot wait for our camp open house on the 25th and our first big day on Monday, June 26. We have truly appreciated the partnership with Social Worker Bethany Hadvab and all of the others in town who have worked to help grant 46 Sudbury residents scholarships to Sewataro this summer.

This Friday, June 16 from 4-8pm we will host our third annual Sounds of Summer event for Sudbury residents. We have an exciting lineup of performers, featuring Children's Musician Wayne Potash, School of Rock, and Better Her Than Me. Grub Guru and Uncle Joey's Cannoli will be on property for the whole event. We hope to see you there!

SOUNDS OF SUMMER @ SEWATARO

Friday, June 16, 2023 4pm-8pm

4:15pm Wayne Potash's
Music Fun Duo

5:30pm School of Rock

7pm Better Her
Than Me

Grub Guru & Uncle Joey's Cannoli

While we were unable to complete the ADA upgrades required to run a resident swim program this summer, we are excited about other improvements happening on property. We have improved the surface around our bench seating area, and partnered with SMILE Mass to purchase a beach wheelchair that has arrived in Sudbury, and will be on property by the end of the week.

With Gratitude,
The Sewataro Team
