Town Manager Sheehan & Sudbury Select Board,

Camp season has arrived, and the Sewataro property is abuzz with campers. We are so grateful to be able to continue to serve our families on this beautiful property, and for our partnership with the Town of Sudbury.

We have continued to move forward with the permitting process for the ADA upgrades at Liberty Lodge and the swimming pond. We hope to have approval from the Planning Board and the Conservation Commission by the end of the month, and to begin work as soon as camp ends on August 18.

Our Summer Kick-Off concert event was a fun night of lively music. The weather cooperated with us for most of the evening, the food was delicious, and the music delighted all who attended.

We have hosted two Friday night Movies Under the Stars, with six more to come. (July 14, 21 and 28, August 4 and 11, and September 1). We also continue to enjoy seeing residents using the fishing ponds, tennis courts, and fields on property during the summer months.

With gratitude,
The Sewataro Team
