Town Manager Sheehan & Sudbury Select Board,

The summer of 2025 was a great one at Sewataro. Our 270 staff members (including 83 Sudbury residents) once again went above and beyond to create 'summer as it should be' for over 1400 campers, including 515 from Sudbury. 50 of those received Sudbury Resident Scholarships. Believe it or not, enrollment opens up in a few short weeks for the summer of 2026, beginning with early enrollment for Sudbury residents. Our year round team is already hard at work planning for next year!

We also welcomed Sudbury residents on the property in the evenings and on weekends. We always love to see local dog walkers and fishermen enjoying the outdoors! The summer Resident swim program ran on weekends and holidays from June 28 through September 1, with a brief pause the weekend of August 9-10 due to an algae bloom.

Weekend bookings in the pavilions have started to pick up again, and we are at work planning our Resident Fall Event. Please stay tuned for details! We hope that fall is off to a wonderful start for each one of you!

With appreciation,
The Sewataro Team
