

April 15, 2026

Town Manager Sheehan & Sudbury Select Board,

Throughout the year, and on summer evenings and weekends, we are always happy to see Sudbury residents enjoying the property. Dog walkers, anglers, cross country skiers, and cyclists are frequent visitors.

We have also continued to host local groups and organizations in our covered pavilions throughout the year. While the demand for outdoor space (particularly in the winter months) has waned since Covid, over the course of the past year, we have reserved space for more than a dozen groups, including Scouts, families celebrating birthdays or other special occasions, and a group of Kindergarteners and their families gathering to celebrate Valentine's Day.

In the upcoming months, Noteworthy Musicians is once again hosting their spring concert on property. We are also excited to be the site of Hope Sudbury's annual fishing derby. It has been a fun and rewarding experience to watch this yearly fundraiser grow from a small covid-era, socially distanced day around the pond to the expansive event it is today, with face painting, ice cream trucks, and visits from the local fire department.

We continue to strive to be the best possible partner to our community groups and non-profits. Over the past year, we have donated camp sessions to elementary school auctions, and sponsored Sudbury Youth Baseball and Sudbury Girls Softball teams. We are annual sponsors of Hope Sudbury and Sudbury's Accessible Trick or Treat, and were proud to work with the Curtis Parent Organization to sponsor Max Stossel's presentation on "Social Media and Your Kids" last month.

We are excited for our annual spring Sudbury Resident event, coming up in early June - Stay tuned for details!

Sincerely,  
The Sewataro Team
