Pilgrim's Path	Puritan Ln	Dead End
Old Lancaster Road	Concord Rd	Goodmans Hill Rd
Walkup Road	Concord Rd	Dead End
Taylor Road	Union Ave	Dead End
Washbrook Road	Dead End	Dead End (Near Gerry Dr)

CRACK SEALING

Cracks of an existing pavement surface are sealed to prevent excess water and moisture from penetrating the asphalt.

What to expect

- Crack Sealing is noisy but progresses at a steady pace.
- 2-lane closure may be necessary as it will result in a faster dry time, allow the road to be completed in one pass and prevents possible damage to car tires.

Note: Streets are subject to change based upon degree of cracking and budget.

If you have any questions, please contact the Public Works Office (8:00 AM - 3:30 PM) at (978) 440-5421.
