Dear Manager Murphy-Rodrigues:

We are pleased to inform you that the legislature has recently approved the supplemental budget which I filed for an additional \$40 million in Chapter 90 local transportation aid funding for Fiscal Year 2019, which represents a 20% increase over the usual funding amount.

This letter certifies that your community's Chapter 90 apportionment for Fiscal Year 2019 is \$883,617 which includes the amount previously approved in Chapter 154 of the Acts of 2018, and the new supplemental amount of **\$147,269** I have approved in signing this new legislation. This apportionment will automatically be incorporated into your existing 10-year Chapter 90 contract, which will be available on the MassDOT website, <https://www.mass.gov/chapter-90-program>

This funding represents our continued commitment to assisting cities and towns to address the maintenance, modernization, and resiliency of your local roads, which are a critical part of the Commonwealth's transportation network. The Chapter 90 program is an integral part of maintaining and enhancing your community's infrastructure and is an essential component of our state-local partnership. We look forward to working with you in the coming year to continue the success of this program.

As always, we are pleased to encourage you to explore opportunities for additional infrastructure funding through MassDOT's Complete Streets and Municipal Small Bridge Programs (further information available at: <http://www.massdot.state.ma.us/>).
